

Coordinated Early Intervening Services (CEIS) Program Design Checklist

- Focused on at-risk students
- General education students only
- Identified target group; state the grade level(s) of participating students
- State the number of students being served. Realistic and manageable number of students
- State how money is being spent. Include
 - Program objective
 - Planned activities
- Verify that activities directly impact targeted group; direct service to students is required. Coordinators are not an allowable cost.
- CEIS Program Design must be approved by the OSE. Contact Deb Maurer at MaurerD@michigan.gov for approval
- Required CEIS: exactly 15% of the section 611 (flowthrough) and/or 15% of section 619 (preschool) funds must be reserved
- Voluntary CEIS: no more than 15% of the 611 (flowthrough) and/or 15% of section 619 (preschool) funds may be reserved
- Attach your CEIS program design document when you submit your Special Education Flowthrough grant application
